- The personal data (name, address, information about the company, information about the innovation, information about funding, optionally shared data from biography and uploaded documents) provided during the application process, which are required for the purpose of the Innovation Challenge 2020 of the Department Rural Development and Agriculture will be stored on GIZ servers and used for the selection process of the Innovation Challenge 2020 and deleted after the purpose has been fulfilled.
- Based on article 6b of the GDPR, the data will be used for the purpose of selecting the finalists of the Innovation Challenge 2020. GIZ is also entitled to forward anonymized data to the Federal Ministry for Economic Cooperation and Development (BMZ) for further processing in accordance with Article 6e of the GDPR.
- The data will be used exclusively for the purposes described in the declaration; any other use will always be subject to renewed consent. Your data will not be used for advertising or commercial purposes.
- GIZ uses appropriate technical and organizational measures to secure the data against accidental or intentional falsification, destruction, loss or access by unauthorized persons. Access to personal data is restricted to employees of the Department Rural Development and Agriculture who will process the data in accordance with the above-mentioned purpose(s) and handle it properly and confidentially. This includes up to ten employees of the global project GV Funds for Agricultural Policy Advisory and Innovations.
- The data will not be passed on to third parties.

Consent

I hereby agree that my optionally provided biographical information and the corresponding uploaded documents will be processed in accordance with the above declaration. The legal basis in this case is the consent according to Art. 6a GDPR.

Rights for data protection for individuals

You have the right to ask for your personal data, to have them corrected if necessary, or to request the restriction of the processing or the deletion of the data. The data will then be deleted. The permission to use the personal data can also be revoked at any time. The legality of the processing up to the time of the revocation is not affected by this.

In case of revocation, participation in the Innovation Challenge is not possible.

Please issue the revocation by email or fax to: innovationchallenge2020@giz.de, 0049 6196-79 80 2077.

If you have any questions or complaints regarding this declaration or the processing, you can contact the GIZ data protection officer at the following email: datenschutzbeauftragter@giz.de.

You have the right to address complaints to the data protection supervisory authority. The competent authority is the Federal Commissioner for Data Protection and Freedom of Information (BfDI).
